WELCOME MESSAGE

“ It is with great pleasure that We welcome you to introduce to our organization **DESIGN HOUSE INDIA PVT. LTD.**

Our goal is to build strong partnerships based on trust, ensuring reliability & efficiency with customer focused mindset and finding innovative ways to provide great value to fulfill your needs.

We trust you will find what you are looking for here. We have a clear vision of what we want to be – **“Leader in turnkey solutions”**.

Serving most of the major brands in the country, DHIPL has become a key component in the industrial scene in a short period of time and intends to continue playing an important role.

Our progressive thinking and creative approach is what makes us stand out from the crowd. I am proud of the work we do at DHIPL, adhering to the highest standards in conducting business, with a perfect consistency record, rigorous management and constant search for improvement of performance.

”

WHO WE ARE??

Design House is a Group of qualified Professionals, specialized in the field of Display Merchandizing, Events, Exhibitions, Retail Kiosks, Retail Showrooms & Turnkey Projects.

Our firm is a group of experienced people, who take up the most challenging task to sense the specific nature of the work. We understand the corporate culture of the organization and design accordingly to suit their needs. Our designs not only interpret the functional brief, but also enhance and build up the brand image, which is the most important factor of growth for any organization.

Design House offers the Turnkey as well as the Consultancy Services to their clients. Turnkey services involve the complete and comprehensive work finished within the required time frame. It also makes available to their clients a network of fabrication facilities for the production of custom-made designs/modular elements through our workshop.

OUR PRODUCTS & SERVICES

WE MAKE YOUR BUSINESS “BLOOM”

We deliver complete set of services to our clients. In Turnkey Projects, we offer complete responsibility of work, right from scratch to the handover of the project.

A unique house with all the services under one roof... **"THE DESIGN HOUSE"**

1. Corporate Turnkey Interiors
2. Retail Showrooms Interiors
3. Luxury Resort & Villa Interiors
4. Space saving & Office Furniture
5. Shop-In-Shop & Kiosks
6. Display Merchandising
7. Signages & Branding
8. Exhibitions & Events

OUR SPECIALIZATION

In the retail world, change is constant: business conditions change, consumer culture evolves, new technologies develop.

Amidst this sea of change, certain things remain constant at DHIPL, such as our vision to see things as a whole.

BEST IN RETAIL

COMPANY STRATEGY

- Innovate and Apply Thought to Create value for our clients at every opportunity.
- Create World's Best Designs, Retail Fixtures and Product Displays for our esteemed clients.
- Work with Moral Value, Commitment and a Deep Concern for it's staff and clients.
- Be a Reliable Associate for our esteemed clients.

A photograph of a modern office workspace. In the foreground, a large white Apple iMac is positioned on a desk. To its right, a laptop is open. A small potted plant with white flowers is on the desk. In the background, a window offers a view of a city skyline with various buildings. The right side of the image is overlaid with a yellow gradient containing text.

OUR STORY

DESIGN HOUSE, established in the year 2000 is a multi-discipline interior designing firm, founded on the commitment to client service and quality designs. We have wide range of unique ideas that suit every taste & every budget.

Subsequently client's time is saved that leads to lots of business savings with mutual benefits.

ABOUT US

Design House is one of the leading, fully equipped turnkey projects solution providers for retail display solutions. With our nerve centre at DELHI NCR, our efficient production and delivery network stretches across the country, offering the clients hassle-free solutions PAN India.

Over 18 years in the business with dedicated in-house centres for design, manufacture and execution, we offer products and services in more than 30 categories in the retail and corporate marketing industry. Our primary categories include, Retail Interiors, Corporate Interiors, Hospitality, Resort, Villa, Residential and Retail Interior Decoration as a major part of our area of expertise as we believe. We are providing world-class interior solutions & services to more than 60 domestic and international brands like Domino's, Costa-coffee, Barbeque Nation, Fast Trax, Chayos, Taco-Bell and Ek-Dum Biryani, Cookie-Man, to name a few. POP/POS and signs, marketing campaign kiosks, retail interior decoration, specialty outdoor signage, digital signage networks, mall kiosks and business gifts solutions. We shape our services and solutions to fit your requirement and your ideas.

DESIGN HOUSE is not restricted to merely designing, but it works to justify the adaptations it incorporates in design and its execution. The first step in our design is awareness and the second one is acceptance.

Our success mantra is...

"Strive not to be a success but rather to be of value, honesty, reliability and acceptability."

"Strive to honour and respect brand image" and "add value to the growth plan" of our clients

OUR PHILOSOPHY

“GOOD DESIGN & DISPLAY CAN HELP YOU REALISE YOUR BUSINESS OBJECTIVES”

ABOUT OUR TEAM

We believe in creation, professionalism, specialization, aesthetics, technicalities, expertise, economy and healthy environment and work as a team with group of experienced, creative, qualified technicians and professionals specialized in their own fields to take up the most challenging tasks to sense the specific nature of work and evolve as the most exquisite and beautiful working environments. The technical guidance of our consultants & project managers, backs our innovative ideas and thoughtful designs thus making us the best in the industry.

BRAND CONSCIOUS APPROACH

We truly understand the value of your image. We paint your ideas into reality and want you to be satisfied and happy. The process we follow is quite a technical one, which begins with putting up all the functional aspects, facts and figures, analyzing them and evolve the concept, which results in the right approach towards an exclusive design especially for you. Our creative vision and practice towards the projects ensures 'THE FINEST DESIGN POSSIBLE' for our clients. This is based on the detailed requirements in terms of Space, Ambience and Sentiments towards the project.

CUSTOMER CENTRIC SERVICES

Our designs not only interpret the functional brief but also enhance and build the brand image. Here, our insight, together with our team efforts and capabilities, play the role. As designers, we work on your brief, and emerge with options that define and detail the best.

Design House understands client's requirement, prepares itself to offer custom made solutions as expected against client's design / quality / cost and time lines. Our long standing relations with our clients is evident itself on our approach.

GOALS AND OBJECTIVES

STRENGTHS

In house Design Studio with fully equipped manufacturing setup. We own a team of qualified professionals along with very hardworking and professional handcrafters.

WEAKNESS

We do not stick to any quality compromise policy neither we entertain or promote any kind of personal interest of client or our coworker.

OPPORTUNITIES

Owning the best in class infrastructure and staff across all the verticals, we seek opportunity in every upcoming field and new challenges and projects.

THREATS

We believe, we are ready for all upcoming challenges hence we expect us as a “threat” to our competitors.

OUR OBJECTIVE

“GOOD DESIGN & DISPLAY CAN HELP YOU REALISE YOUR BUSINESS OBJECTIVES”

The collaborative effort of a team to achieve a common goal or to complete a task in the most effective and efficient way.

TEAM WORK

01

Being creative means taking risks and ignoring doubts and facing fears.

CREATIVE

02

The achievement of a high position in a particular field is an attitude which requires maximum effort.

SUCCESS

03

Fast Support refers to meeting the needs and desires of any customer 24*7.

FAST SUPPORT

04

CONCEPT

Design House believes that without invention & modernism, a brand can easily sink into obscurity. Getting rid of traditional ideas, being idealistic but always in a regular way, is fundamental to our being. Contravening the standards without being contentious..

Design Concept is composed of a group of professionals who love designs and quality lifestyle. We specialize in interior design, architecture and product design. The technical guidance of our consultants & project managers, backs our innovative ideas and thoughtful designs thus making us...

A Complete Turnkey Solution Provider

TIME LINE

VISUAL REPRESENTATION OF A SEQUENCE OF WORK PROCESS

CLIENT MEET-UP

This is the major step where a project initiates. Our marketing team along with the professional team of designers & technical experts go through the project in detail along with client to understand the necessity of the project.

CONCEPTUALIZATION

A concept is built in accordance to the client's brief with our entire team as per the requirement of project. The concept brief is developed to describe the unique concept, design & story to suit the client's requirement & purpose

MANUFACTURING

We manufacture goods as per the requirement of projects & client. The manufacturing is carried in accordance to the designs & deliverables required by the project & described by the technical & designing team.

INSTALLATION & DELIVERY

The execution team along with our project managers, co-ordinate with the marketing team for the proper delivery & installation of the goods/services. The handover is provided to the client & upon quality inspection by the client, the site/goods are handed over.
